OUR STORY

A lifelong *passion*

I've loved handbags since childhood and have always enjoyed restoring items.

My career spans nearly 20 years in Retail Management, Digital/Mobile Analytics, and Program Management, including roles at Nordstrom, Kohl's, PacSun, CVS, and Amazon (Alexa AI).

In April 2024, I shifted full-time to Jill's Luxury Goods to follow my passion.

FREQUENTLY ASKED

Questions & *answers*

Q. Are your items authentic?

Yes—everything is 100% authentic. I'm a Certified Louis Vuitton and Gucci Authenticator through LegitGrails. If you'd like extra assurance, you're welcome to submit photos to any authentication service before purchase. I'm happy to guide you, but you are responsible for any fees.

Q. How do you source your items?

I partner with reputable suppliers worldwide and buy in bulk when possible. I personally handle all cleaning and refurbishment so I can offer high-quality items at competitive prices.

Q. Do you offer repairs?

No. My insurance doesn't cover taking items in for repair, and I want to avoid any risk to your bag. I can, however, recommend an excellent cobbler who specializes in luxury items.
